

Please help...

Conserve and Protect our Precious Water Supplies

Watershed Center at Valley Water Mill Park

**A project of
the Watershed
Committee of the
Ozarks celebrating
25 years!**

- Interesting, diverse and hands-on educational site for school field trips
- Professional training for septic tank installers, engineers, teachers, builders
- Meeting spaces for resource agencies, professional organizations, watershed groups, and Stream Teams
- LEED certified “green” facility
- Water and energy conservation demonstrations throughout

**To help the Watershed Center Project
and to learn about our
25th Anniversary Celebration
on September 12, visit
watershedcommittee.org.**

REMINDER

City Utilities of Springfield is asking all of its customers who water their lawns – residential homes or commercial businesses – to do so on designated days of the week, based on your address.

Save water. Save money. Help our community.

For more information about this program and other ways you can save water and energy, contact City Utilities Energy Management and Conservation at **417-874-8200**, or go online at **cuwaterwise.com**.
