

ENERGY STAR® HEATING & COOLING REBATE - NATURAL GAS FURNACE APPLICATION FORM

City Utilities natural gas residential, multi-family and residential new construction customers who purchase and install a high efficiency furnace may qualify for a rebate of up to \$400. Many ENERGY STAR® qualified natural gas furnaces operate 10-15% more efficient than standard models. So making wise decisions about your home's Heating, Ventilation, and Air Conditioning (HVAC) systems can have a big effect on your comfort level and utility usage. For this reason, City Utilities is offering a rebate to help make this energy efficient decision more affordable. *Certain restrictions apply; see Guidelines.*

Customer Information:

Name: _____

Service Address: _____
 _____ Zip: _____

Mailing Address: _____
 _____ Zip: _____

Daytime Phone: _____

City Utilities Account Number: _____

Single Family Multi-Family/Rental Residential New Construction

By my signature, I understand that City Utilities is providing a rebate of up to \$400, after the purchase and installation of a high efficiency natural gas furnace. City Utilities is not responsible for the natural gas furnace performance or energy savings, and does not provide any warranties or guarantees, expressed or implied. I certify the information provided with this application is true, and I have read and understand the program guidelines.

Before receiving a rebate from City Utilities of Springfield, a customer must prove that he or she is a citizen or permanent resident of or is lawfully present in the United States. In order to show your lawful presence in the U.S. in accordance with Section 208.009 R.S.Mo., **please provide your Missouri Driver's License Number or U.S. Passport Number:**

MO DL # or U.S. Passport # _____

Customer Signature: _____

Date: _____

I would prefer to: (check one)

Apply the rebate to my utility bill.

Receive a rebate check.

Donate the rebate to Project Share, a tax-deductible donation. (This program is administered by Ozarks Area Community Action Corporation to assist City Utilities customers in need with emergency utility bill payments.)

HVAC Contractor Information:

(must be completed by contractor)

Company name: _____

Name of contractor: _____

Company address (street, city, state, zip): _____

Phone number: _____

Date of installation: _____

Old System Information:

- Manufacturer: _____
- Size: (Btuh) _____ AFUE _____
- Approximate Age: _____

New System Information:

- Manufacturer: _____
- Model Number: _____
- Size: (Btuh) _____ AFUE _____
 Single stage Two stage

Signature of HVAC contractor: _____

Date: _____

Please indicate the rebate amount in which the customer is applying for:

90-91% AFUE \$200

92% AFUE \$250

93% AFUE \$300

94-95% AFUE \$350

96% AFUE or greater \$400

Rebate Process:

1. Select an HVAC contractor who is qualified to perform a Manual J load calculation.
 - City Utilities recommends getting at least 2-3 different bids. For information on how to select a qualified contractor, or to view the City Utilities Heating & Cooling Contractor List, visit www.cuenergywise.com.
 - A Manual J load calculation must be completed before the installation of the new system.
2. Complete the system installation.
3. **Submit the following information:**
 - ✓ Application with the customer's and HVAC contractor's signatures
 - ✓ Copies of the invoice showing the date of installation
 - ✓ Manual J load calculation summary report
 - ✓ AHRI Certificate
4. The rebate will be processed within 3-5 weeks after the properly submitted application and information is received.

Mail to:
City Utilities of Springfield, Missouri
Energy Management & Conservation
PO Box 551
Springfield, MO 65801-0551

Guidelines:

1. **Application must be submitted within 90 days of purchase date.**
2. City Utilities natural gas residential, multi-family and residential new construction customers who purchase and install a high efficiency furnace may qualify for a rebate of:
 - ✓ \$200 for furnaces with an Annual Fuel Utilization Efficiency (AFUE) of 90-91%.
 - ✓ \$250 for furnaces with an AFUE of 92%.
 - ✓ \$300 for furnaces with an AFUE of 93%.
 - ✓ \$350 for furnaces with an AFUE of 94-95%.
 - ✓ \$400 for furnaces with an AFUE of 96% or greater.
3. Rebate will not exceed the natural gas furnace purchase price.
4. Installed furnaces must meet ENERGY STAR qualifications. City Utilities ENERGY STAR Heating & Cooling Rebates are subject to change as ENERGY STAR qualifications change.

Natural Gas Furnace Rebate	Residential Single Family	Multi-Family / Rental*	Residential New Construction*
# of Rebates Per Program Year (Oct. 1 through Sept. 30)	2	6	6
Minimum Efficiency Required	90% AFUE	90% AFUE	92% AFUE
Maximum Rebate Amount	\$800	\$2,400	\$2,400

*Limit of two (2) Natural Gas Furnace Rebates per service address.

5. **City Utilities requires a Manual J (or industry equivalent) load calculation be performed BEFORE installation to ensure proper sizing of the new equipment. Customers must obtain a copy of the load calculation summary report from their contractor and submit to City Utilities. A complete load calculation report may be required upon request.**
6. Qualifying natural gas furnaces must be sized according to the Air Conditioning Contractors of American HVAC Quality Installation Specifications. Two stage furnaces must be sized according to the second stage.
7. To ensure the efficiency of the newly installed furnace, City Utilities requires the customer obtain from their contractor a Air-Conditioning, Heating and Refrigeration Institute (AHRI) Certificate of Certified Product Performance. Without this certificate, the rebate will be denied.
8. Rebate amount will be based on the efficiency specified on the AHRI Certificate (not rounded).

9. Furnaces must include burner(s), heat exchanger(s), blower(s) and connections to heating ducts.
10. Rebate is valid for purchased equipment. Leased equipment will not qualify.
11. Electric, oil or propane furnaces do not qualify for this rebate.
12. A completed ENERGY STAR Heating & Cooling Rebate Application is required. The application must be signed and dated by both the customer and HVAC contractor.
13. Customer must submit a dated, detailed invoice as proof of installation.
14. Failure to provide required information may result in denial of the rebate.
15. Rebates are awarded on a first-come, first-served basis until program funds have been depleted.
16. Contractors are responsible for the proper disposal/recycling of any waste generated as a result of this project.
17. Applicants must be the customer of record for an active, non-delinquent account.
18. City Utilities reserves the right to inspect the installed rebated material. If such site does not have the qualifying furnace equipment installed, the rebate will be debited back to the natural gas account.
19. City Utilities is not responsible for the furnace performance or energy savings, and does not provide any warranties or guarantees, expressed or implied.
20. **City Utilities reserves the right to amend or discontinue this program without notice.**
