

IRRIGATION SYSTEM RAIN SENSOR REBATE

APPLICATION FORM

City Utilities water customers are eligible for a \$25 rebate after the purchase and installation of an irrigation rain sensor. Rain sensor devices automatically shut off in-ground sprinkler systems during and after rain showers, and allow the systems to go back to their normal cycle once the sensor dries out. These devices save tremendous amounts of otherwise wasted irrigation water.

Guidelines:

1. **Application must be submitted within 6 months of purchase date.**
2. Rebates are only available to City Utilities residential and/or commercial water customers, who are the customers of record for active, non-delinquent accounts.
3. **Must be installed on an existing in-ground irrigation system.**
4. Rebate is not available for new construction or new in-ground irrigation systems.
5. Applicants must have a yearly backflow prevention inspection completed and submitted to City Utilities. Failure to have this required test registered with City Utilities will result in denial of the rebate.
6. Rebate will not exceed the rain sensor purchase price.
7. Rebates are limited to two per residential customer and up to six per commercial and multi-family customers, during each program year (October through September). Rebates are awarded on a first-come, first-served basis until program funds have been depleted.
8. **A copy of installer invoice and/or sales receipt, the original UPC code, and the application form must be submitted within the stated timeline.**
9. Failure to provide required information may result in denial of the rebate.
10. City Utilities of Springfield reserves the right to inspect the installed rebated material. If such site does not have the qualifying equipment installed, the amount rebated may be debited back to the account.
11. City Utilities is not responsible for equipment performance or water savings, and does not provide any warranties or guarantees, expressed or implied.
12. **City Utilities reserves the right to amend or discontinue this program without notice.**
