

PROGRAMMABLE THERMOSTAT REBATE APPLICATION FORM

City Utilities electric and/or natural gas customers are eligible for a \$15 rebate after the purchase and installation of a programmable thermostat. The purpose of this program is to reduce the cost of these thermostats to make them affordable to as many customers as possible, and to increase customer awareness of energy efficient products. In many cases, the purchase and installation will result in long-term energy savings and increased comfort. *Certain restrictions apply; see Guidelines.*

Name: _____

Service Address: _____

_____ Zip: _____

Mailing Address: _____

_____ Zip: _____

Daytime Phone: _____

City Utilities Account Number: _____

Brand Name of Thermostat: _____

Model Number: _____

Place of Purchase: _____

Thermostat Purchase Price: _____

I would prefer to: (check one)

Apply the \$15 rebate to my utility bill.

Donate the \$15 rebate to Project Share, a tax-deductible donation.

(This program is administered by Ozarks Area Community Action Corporation to assist CU customers in need with emergency utility bill payments.)

How was the new thermostat installed?

Self installed

Licensed contractor

Name of Contractor: _____

Submit the following information:

- ✓ Rebate form
- ✓ Copies of contractor invoices and/or itemized purchase receipts
- ✓ Original programmable thermostat UPC code or clearly itemized contractor invoice.
- ✓ Model number

Please allow 3-5 weeks to receive approved rebate.

Mail to:

**City Utilities of Springfield, Missouri
Energy Management & Conservation
PO Box 551
Springfield, MO 65801-0551**

Guidelines:

- 1. Applications must be submitted within 90 days of purchase date.**
2. Rebates are only available to City Utilities electric and/or natural gas customers.
3. The rebated thermostat must be installed at the service address served by City Utilities.
4. The applicant must be the customer of record for an active, non-delinquent account.
5. Rebate will not exceed the thermostat purchase price.
6. Rebates are limited to two (2) per residential customer and up to six (6) for new construction, commercial and multi-family customers, during each program year (October through September). Rebates are awarded on a first-come, first-served basis until program funds have been depleted.
- 7. Copies of installer invoices and/or itemized purchase receipts, original programmable thermostat UPC code (unless contractor-installed and clearly itemized on invoice), and the model number must be submitted along with a completed application form.**

Guidelines continued on back

8. Failure to provide required information may result in denial of rebate.
9. Participants in this program must agree to properly dispose of old thermostats containing mercury.
10. City Utilities reserves the right to inspect the installed rebated material. If such site does not have the qualifying equipment installed, the rebate may be debited to the electric or natural gas account.
11. City Utilities is not responsible for the programmable thermostat performance or energy savings, and does not provide any warranties or guarantees, expressed or implied.
12. **City Utilities reserves the right to amend or discontinue this program without notice.**

Programmable Thermostat Rebate

Thermostat Disposal Information

If you are replacing a conventional thermostat that has a mercury switch, be careful not to break the tube that holds this substance. As a Springfield/Greene County resident, you may use the services of the City of Springfield's Household Chemical Collection Center free of charge. Please call 864-2000 to schedule an appointment. This is for residential customers only – no businesses, please. For more information on recycling please visit www.springfieldmogov.org/recycling or contact the City of Springfield's Recycling Hotline, 864-1904.
