

WATERSENSE® HIGH EFFICIENCY TOILET REBATE PROGRAM APPLICATION FORM

City Utilities residential

and commercial water customers are eligible for a rebate of 50% of the purchase price, up to \$75, after the purchase and installation of a WaterSense® labeled High Efficiency Toilet. High Efficiency Toilets use 1.28 gallons of water per flush (gpf) or less. Toilets manufactured earlier than January 1, 1994 use between 3.5 to 7 gpf. By participating in this rebate program, you could save approximately 6000 gallons of water per year, while at the same time knowing you are doing your part to conserve water for our community. *Certain restrictions apply; see Guidelines.*

Name: _____

Rebate Process:

1. Purchase a WaterSense® labeled High Efficiency toilet.
2. Install the new toilet.
 - If professional installation is needed, City Utilities recommends getting at least 2-3 different bids. For information on how to select a qualified contractor, or view the City Utilities Contractor List, visit www.cuenergywise.com
3. **Submit the following information:**
 - ✓ **Application form**
 - ✓ **Copy of sales receipt and/or clearly itemized invoice**
4. The rebate will be processed within 3-5 weeks after the properly submitted application and information is received.

**City Utilities of Springfield, Missouri
 Energy Management & Conservation
 PO Box 551
 Springfield, MO 65801-0551**

By my signature, I understand that City Utilities is providing a rebate of 50% of the purchase price, up to \$75, after the purchase and installation of a WaterSense® labeled High Efficiency Toilet. I also agree to destroy or disable replaced toilets. City Utilities is not responsible for equipment performance or water savings, and does not provide any warranties or guarantees, expressed or implied. I certify that the information provided with this application is true, and that I have read and understand the program guidelines.

Before receiving a rebate from City Utilities of Springfield, a customer must prove that he or she is a citizen or permanent resident of or is lawfully present in the United States. In order to show your lawful presence in the U.S. in accordance with Section 208.009 R.S.Mo., **please provide your Missouri Driver's License Number or U.S. Passport Number:**

MO DL # or U.S. Passport # _____
Customer Signature: _____
Date: _____

All Rebates \$100 or less will be applied to the utility bill.

I would prefer to: (check one)

Apply the rebate to my utility bill.
 Receive a rebate check (if rebate total is over \$100).
 Donate the rebate to Project Share, a tax-deductible donation. (This program is administered by Ozarks Area Community Action Corporation to assist City Utilities customers in need with emergency utility bill payments.)

- Guidelines:**
1. **Application must be submitted within 90 days of purchase date.**
 2. City Utilities residential and commercial water customers are eligible for a rebate of 50% of the toilet purchase price up to \$75, after the purchase and installation of a WaterSense® labeled High Efficiency Toilet.
 3. **Residential customers may receive up to three (3) rebates per service address. Commercial customers may receive up to six (6) rebates per service address.**
 4. A completed WaterSense® High Efficiency Toilet Rebate Application is required. The application must include the manufacturer and model number of the toilet purchased.
 5. Customer must submit a dated, detailed sales receipt as proof of purchase. If the toilet is installed by a contractor, **the purchase price of the toilet must be clearly itemized on the invoice.**
 6. Ultra low-flow toilets and any non-WaterSense® labeled toilets do not qualify.
 7. New construction qualifies for the rebate.
 8. Toilet purchase must include both bowl and tank, and be installed at the service address listed on the application.
 9. Applicant must be the customer of record for an active, non-delinquent account.
 10. Old toilets must not be reused. Participants agree to destroy or disable their old toilets, and dispose of properly. City Utilities encourages recycling, if possible.
 11. Failure to provide required information may result in denial of the rebate.
 12. Rebates are awarded on a first-come, first-served basis until program funds have been depleted.
 13. City Utilities reserves the right to inspect the installed rebated material. If such site does not have the qualifying equipment installed, the amount rebated may be debited back to the account.
 14. City Utilities is not responsible for equipment performance or water savings, and does not provide any warranties or guarantees, expressed or implied.
 15. **City Utilities reserves the right to amend or discontinue this program without notice.**

WaterSense® High Efficiency Toilet Rebate Program Disposal Information

The cost of disposing of an old toilet is about \$5-\$20.
Please contact your trash hauler for rates and details.
City Utilities will not reimburse the disposal fee.
