

**CITY UTILITIES OF SPRINGFIELD MISSOURI
OPTIONAL RIDER B
AUTOMATIC THROWOVER SWITCH**

Applicability

Under this Rider B, City Utilities will install an automatic throwover switch which can automatically change a customer's source of electric supply. Customers electing to receive service under this rider will remain on this rider for a minimum period of five (5) years. Customers requesting a disconnect will be required to pay \$250.00 per month for each month less than 60 the customer has received service under this rider.

Availability

Service under this rider shall be available within the corporate limits of the City of Springfield, Missouri, and the adjacent territory served by City Utilities for commercial and industrial customers with monthly demands of 300 kilowatts or greater. Charges for service under this rider shall be in addition to charges for service under other applicable electric service rates. Availability is subject to the General Terms and Conditions Governing Electric Service and the Utility Service Rules and Regulations.

Monthly Charge

Per month.....\$250.00

Outside City Charge

All charges shall be five (5) percent more per service outside the corporate limits of the City of Springfield, Missouri.
