

**CITY UTILITIES OF SPRINGFIELD, MISSOURI
EMERGENCY CONSERVATION WATER SERVICE RATE**

This rate is applicable during Stages One, Two, and Three of the Water Conservation Plan.

Section A. Availability

Available within the corporate limits of the City of Springfield, Missouri, and the adjacent territory served by City Utilities, for all water uses, where adequate capacity is available from City Utilities' water distribution system to serve such water requirements. Availability is subject to the General Terms and Conditions Governing Water Service and the Utility Service Rules and Regulations.

Section B. New Customers

During the period of applicability of Section D., hereof:

- (a) Residential customers receiving service at locations having less than one year of water service will not be assessed the excessive use surcharge provided that, during Stage Two or Stage Three usage does not exceed seventy - five percent (75%) of the system-wide average individual residential class usage per billing period in the year previous to implementation of Stages One, Two, or Three of the Plan. During Stage Two or Stage Three, all usage in excess of seventy - five percent (75%) of the system-wide average individual residential class usage per billing period will be assessed the excessive use surcharge.
- (b) Non-residential customers receiving service at locations having less than one year of water service and who are not required to file an individual conservation plan pursuant to the effective version of the Water Conservation Plan shall not be assessed the surcharge provided that, during Stage Two or Stage Three the monthly usage does not exceed seventy – five percent (75%) of the average monthly usage for the period of time water service has been provided. Such users who have no prior service shall present an estimate of total water usage of the enterprise. Such estimate shall be subject to approval and revision by City Utilities, taking into account the usage of similar enterprises or establishments which are existing customers of City Utilities.
