

Bidding Opportunities

This web site contains bidding opportunities (i.e., Bidding Events) that are available for downloading by prospective bidders. Bidders are responsible to contact the Buyer listed below to be set up on the bidders list and to obtain the most current official bid document, any attachments, changes in bid opening date and time, and any addenda that may exist.

Bidders must submit their response in hard copy form, in a sealed envelope prior to the opening date and time. This is not an all inclusive list as City Utilities uses other web sites, plan rooms and newspapers for bidding opportunities.

Download and view bid documents by clicking on the "Download" column. All documents are in PDF format.
