

## Estimated Production, Installation and Artwork Fees

City Utilities does not provide graphics material or the installation or any ads. It is the obligation of the Advertiser to provide the design, in the appropriate format, and to select a CU-approved vendor to produce and install the vinyl ad.

The following is only an estimate of these costs. All prices vary depending on the vendor and are subject to change at any time. City Utilities does not determine, nor does it have any control over the following prices. Discounts may be offered for multiple purchases:

<b>Bus Ads</b>	<b>Production and Installation Only</b>
