HOW TO BE AN ALL AROUND RIDER:

Here are just a few simple rules of courtesy that'll make everyone's ride more pleasant:

- Arrive at the bus stop five minutes early. Although the drivers make an effort to operate on schedule, errors can occur.
- Have the exact change or your discount card ready when you board the bus. This speeds the boarding process and helps keep the bus on schedule.
- If you'll need to transfer, be sure to ask for a transfer slip as you board. The fee for transfers is 10 cents.
- We ask that you do NOT smoke on the bus. A city ordinance prohibits it.
- Please leave your animals at home. Only service animals are allowed on the bus.
- Please do not eat or drink on the bus.
- About one-half block before your destination, let your driver know by pulling the signal cord.

A TRANSFER CAN GET YOU EVEN MORE PLACES AROUND TOWN

A quick and easy phone call...that's all it takes. We'll tell you which bus to take, where to catch it, when it will leave and arrive, and how to transfer. Let us explain whatever you need to make your ride easier. We're here to help you.

HOW TO IDENTIFY YOUR BUS AND BUS STOPS

Your bus can be identified by its route-line number located on the outside of The Bus, above the front windshield and next to the front door. The panel containing this number also indicates The Bus destination.

The Bus signs are located at major stops throughout the city. Generally, you can count on The Bus stopping approximately every two blocks, but you should call 831-8782 to verify exact stopping locations.

Wait for The Bus at the designated Bus Stop areas. This is an important safety factor, and helps to keep from delaying other traffic while your bus is loading, as well as helping to alert the driver that you want to board. Drivers are not allowed to stop outside of the designated bus stop area.
