**SPEAKERS** BUREAU

# SPEAKERS BUREAU TOPICS

City Utilities of Springfield provides electricity, natural gas, water, broadband and transit services to our community. We are proud to be leaders in our industries and community, serving our neighbors where we live with safe, reliable and low-cost services.

What does it take to provide utility services to Springfield? Expertise--technical and nontechnical--encompassing a variety of skills, disciplines and professional fields. In this brochure you will find a small sample of the topics and issues we are ready to discuss with your organization.

**If you would like to host a speaker from City Utilities, call 417-831-8433.** We will help you find a speaker and presentation of interest for your meeting.

“City Utilities has a group of knowledgeable employees who are available to speak to civic, business, professional, social, or educational groups.”
