A. Account Number

Your account number is yours and yours alone! Any time you move to another location, this number will move with you. Use your number to check the status of your account at 417-863-9000.

B. Summary of Charges

This section lists your usage of and charges for electricity, natural gas, water, and other associated services for a billing period. The summary also provides a total due for the current month, and an approximate date of your next meter reading. You'll notice an amount due for sewer service which is billed on behalf of the City of Springfield. For questions concerning sewer service, contact the City at 417-864-1924.

C. Summary of Payments

This section provides a recap of payments, unpaid balances, and adjustments to your account. Be sure to make your payment for the total amount due. A payment due date is provided at the top of your bill. Payments received after the due date will incur a late-payment fee and be included on your next bill.

D. Usage Comparison

This area provides your usage compared to the same period last year.
