REAFFIRMATION OF EQUAL OPPORTUNITY POLICY

City Utilities of Springfield, Missouri, offers equal employment opportunity to all individuals without regard to race, color, religion, sex, sexual orientation, gender identity, ancestry, national origin, disability, age, veteran status¹, genetic information or marital status.

It is our established policy, which I strongly reaffirm, to fulfill our equal employment opportunity commitment in all personnel actions, including recruitment, hiring, upgrading, compensation, benefits, transfers, layoffs, returns from layoffs, company-sponsored training, education, tuition assistance, and social and recreational programs. We are not merely committed to this policy because it is required of government contractors, but because it is consistent with good business practice.

The pressure of competition makes it imperative that we find and keep qualified people; therefore, job related ability continues to be the only criteria for employment, and on-the-job performance is the only factor considered in promotion.

Each year, City Utilities develops specific affirmative action goals and timetables to advance the employment and promotion of females and minorities. City Utilities' long-term objective is to achieve a level of minority and female participation in all job categories of our workforce comparable to their availability in the labor market. All managers and supervisors are responsible for acknowledging the affirmative action goals in underutilized occupations and will be held accountable to actively work toward achieving these goals. The results achieved in these programs are reviewed by the General Manager and management on a regular basis.

No employee of City Utilities shall promote, remove or reduce any other employee, or promise or threaten to do so, for withholding or refusing to make any contribution for any political party or purpose, or for refusal to render any political service, and shall not directly or indirectly attempt to coerce, command or advise any employee to make any contribution or render any service. No questions in any examination shall relate to political or religious opinions or affiliations, and no appointment, transfer, layoff, promotion, reduction, suspension or removal shall be affected or influenced by such opinions or affiliations. No persons shall make any false statement, certificate, mark, rating or report with regard to any application, test, certification or appointment or in any manner commit or attempt to commit any fraud preventing the impartial execution of the Human Resources' system. No person shall, directly or indirectly, give, render, pay, offer, solicit or accept any money, service or other valuable consideration for or on account of any appointment, proposed appointment, promotion or proposed promotion to, or any advantage in, a position in the service of City Utilities.

City Utilities has adopted a policy to more fully describe accommodations under The Americans with Disabilities Act (ADA). Please see Policy# 2.19.

¹ "Veteran status" means status as a Recently Separated Veteran, Disabled Veteran, Active Duty Wartime or Campaign Badge Veteran, or Armed Forces Service Medal Veterans, as defined by federal law.
