Guidelines

1. **Applications must be submitted within 90 days of purchase date.**
2. City Utilities electric and/or natural gas customers are eligible for a rebate of \$75 after the purchase and installation of an **ENERGY STAR® labeled smart thermostat**. Rebate will not exceed purchase price.
3. The rebated ENERGY STAR® labeled smart thermostat must be installed at the service address served by City Utilities.
4. The applicant must be a customer of record for an active, non-delinquent account.
5. All installed smart thermostats must be new.
6. Smart thermostat must be installed and connected to Wi-Fi.
7. Rebates are limited to two (2) per residential customer and up to six (6) per new construction, commercial and multi-family customers, during each program year (October through September). Rebates are awarded on a first-come, first-served basis until program funds have been depleted.
8. Rebate may not be used to replace a smart thermostat that was installed using our rebate within the last seven (7) years. The replacement of a programmable thermostat with a smart thermostat will be allowed.
9. **Copies of installer invoices and/or itemized purchase receipts, and the model number must be submitted along with a completed application form.**
10. Failure to provide required information may result in denial of rebate.
11. Participants in this program must agree to properly dispose of old thermostats containing mercury.
12. City Utilities reserves the right to inspect the installed rebated material. If such site does not have the qualifying equipment installed, the rebate may be debited to the electric or natural gas account.
13. City Utilities is not responsible for the smart thermostat performance or energy savings, and does not provide any warranties or guarantees, expressed or implied.
14. **City Utilities reserves the right to amend or discontinue this program without notice.**

Thermostat Disposal Information

If you are replacing a conventional thermostat that has a mercury switch, be careful not to break the tube that holds this substance. As a Springfield/Greene County resident, you may use the services of the City of Springfield's Household Chemical Collection Center free of charge. Please call 864-2000 to schedule an appointment. This is for residential customers only – no businesses, please. For more information on recycling please visit www.springfieldmogov.org/recycling or contact the City of Springfield's Recycling Hotline 864-1904.

The graphic features a hand holding a smartphone displaying a smart thermostat interface with a temperature of 72°F and icons for various settings. Above the phone is a circular icon also showing 72°F. The background is a solid blue color with white text and graphics.
